## **PREFACE**

It is my great privilege to submit the Annual Quality Assurance Report (AQAR) of the IQAC for the Year 2006-07.

Our Internal Quality Assurance Cell initiated diversified activities to address various quality related issues during the academic year 2006-07.

This report is the synergic outcome of all the organs of my institute. It is rather difficult to quote every contribution and acknowledge for. I appreciate everybody concerned to this collaborative and collective venture with the open heart.

We hope and believe that NAAC will also appraise and justify our noble endeavour.

## **PART 'A'**

This is the third consecutive academic year after the first Accreditation by NAAC. The next Assessment and Accreditation is expected to be after two years. i.e. in 2009-2010. Already the two Annual Quality Assurance Report (AQAR) have been submitted to the NAAC, Bangalore. As per the suggestions given by NAAC Committee, our parent institution has taken care of our demands and always tried to fulfil them the best at their levels.

As per the essentiality and the advice of the peer team, we have planned to achieve the goals or objectives in this academic year. The planning and its outline in general is:

### **Infrastructure :**

Kadegaon has been recently declared as a new Tahasil, Taluka place. Consequently the urbanisation process is also being geared up. With the help of our visionary parent institute, the campus area of our college has been extended. Immediately the college undertook the programmes like fencing the campus and plantation on it. About 700 plants are now growing and adding the beauty to the campus.

Multipurpose auditorium, additional lecture halls and common room for students, adequate infrastructural accommodation for curricula and extra curricular activities is required. The parent institute has verbally given the green signal for these developments. However, the substantial grant of Rs. 1 Crore is sanctioned by UGC with which the new women's hostel is being constructed. Similarly the two wheeler parking shade is extended so that the increased no. of two wheelers are easily accommodated. Though not sheltered enough, the provision of parking zone for the

four wheelers is made available near by the college building. Recently, the website of the institution is made open at the auspicious hands of the famous celebraty Anupam Kher and in the presence of Hon'ble Vishwajit Kadam, Secretary, Bharati Vidyapeeth.

### **Curricular Aspects :**

Under X<sup>th</sup> plan of UGC like the proposal for Women's hostel, the college has also proposed for various career oriented courses to be run the next academic year onwards. The representatives from the college, the Principal, Dr. D.G.Kanase and the Head, Department of English, Shri. M.S. Khot have attended the interface meeting at UGC office in New Delhi. We hope positively for some Career Oriented Courses to be granted the next year onwards.

The college also desires to arrange various seminars and workshops like 'A workshop on 'Project Formulation in Science' sponsored by UGC and 'A Workshop on Green Chemistry and Environment under Lead College Programme.

### **Healthy Practices :**

Our parent institute always inspires us to make our college as an effective community centre. The NSS unit, the Parent Teacher Association and the Alumini of our college play the vital role in this connection. In addition to that we have organized various activities like Gadge Bada Gram Swachhata Abhiyan, Mahila Bachat Gat Abhiyan, Andha Shradha Nirmulan Abhiyan, Saksharta Abhiyan along with these we have also planned to organize Pathnatya, Family Survey, Healthy Baby Competition, Blood Donation Camp, Mashal (Torch Bearing) Procession, 'Haldi-Cumcum' function, Shekoti, (Night-fire) and Prabhat Phery (Morning Procession).

The planned special NSS camp at Bombalewadi, Tal-Kadegaon, Dist-Sangli will serve the proper stage to perform all these said activities.

We have also planned to visit the historical, industrial places and science and research centres as well. These tours will serve their academic purpose along with the entertainment.

### **Sport Activities:**

Our college has a notable sports reputation in the jurisdiction of Shivaji University. The Department of Physical Education always encourages the students to participate in different sports competitions at District, Zonal, Interzonal, State and National levels. The Annual Plan is made to train and practice in these events. They are supposed to practice at early in the morning and evening sessions.

## **PART- B**
