Report of Student Satisfaction Survey 2020-2021

The Student Satisfaction Survey was conducted by a team of teachers of MSBK in the months of December. All students enrolled during spring 2020 were invited through what's group to participate in this online survey. Online Google form for the same was created and shared through online links so that it can reach to each and every student of the college. The students participated voluntarily, the survey was implemented online, and respondents were ensured confidentiality.

Each question in the SSS format is aimed at collecting factual opinion of students on curricular and extra-curricular activities, facilities related to information technology enabled services, overall impression and suggestions about the college. The data set comprises of representative sampling and convenience sampling. The collected data points are analyzed on a 5-point Likert scale. The scale measures the responses as very good, good, fair, satisfactory and unsatisfactory. This simple but important exercise definitely helps to improve the relevance of teaching and learning.

Analysis and Interpretation:

A) Primary information

- ❖ Out of the total respondents 84.2% of the students are of the view that depth of the course content including project work is good.
