Student Satisfaction Survey

Academic year 2018-2019

The student satisfaction survey for the academic year 2018-19 was carried out by providing feedback forms to the final year students of UG and PG programmes. Questions related to the curriculum, respective departments and all other aspects of the institute were asked. The response for each aspect was taken in four different categories, namely very good (VG), good (G) fair(F), satisfactory(F) and unsatisfactory(UN). A proforma of the feedback form is enclosed as Annexure 1.

A total number of 317 students UG and 23 students from PG students responded to this survey. The finding indicates that, UG as well as PG students have positive impressions with all aspects. More than 80 % students have responded by marking very good (VG) and good (G).

For the depth of the course content including project work 95.65 % PG students reported very good while 45.42 % and 48.58% UG students reported very good and good respectively.

About 50 % of PG students feel very good and good for extent of coverage of course. 82.60% of PG student and 49.84 % of UG student feel very good about applicability / relevance of curriculum to real life situation.

73.91 % of PG and 55.83 % of UG student responded very good for learning value of Curriculum in terms of knowledge, concepts, manual skills, analytical ability and broadening perspectives.

About 70% of PG and 35% of UG students responded very good while 26.08% PG and 54.88% of UG students responded good to relevance of additional source regarding material from library.

Overall, 61.93% of UG and 27.12% of PG students were found to be responded very good to the curriculum. 27.12 % of UG and 21.73% of PG students feel good impact. Any student responded to unsatisfied about the curriculum.

A view of the students about their departments was analyzed on the basis of knowledge of the faculty, communications skill, sincerity and commitment of faculty with the students, subject interest generated by the faculty. The 58.35 % UG and 52.70% of PG students are well in agreement with subject knowledge of the teacher.

Regarding communication skill of faculty, PG students have appreciated than UG students. The Communication skill of the faculty impacts very well on the students. The main role of the teacher is to create the subject interest among the students. The survey reveals that, 56.31% of UG and 82.60% of PG students remarked very good about faculty in respect of interest generated. The 56.41% and 37.22% of UG students are agreed very good and good about teachers ability to integrate course contents.

The opinion of the 100 % student is very good regarding availability of faculty in an out of class while 57.41% of U.G student are remarked very good for availability of the teacher for motivation. This difference may be due to student teacher ratio. More than 90 % of U.G. students and 100 % of P.G students remarked good for ability of the teacher to design and conduct tests, projects and examinations. 78.26% of P.G. students and 59.64 % U.G. students gave overall rating of the department as very good The higher percentage of P.G. students feeling very good than UG student percentage may be due to easy availability of all learning source to P.G students than that of U.G. students.

The response of the students about all aspects in the institute like admission procedure and fee structure, campus environment, infra structure including laboratory facilities, extra-curricular, co- curricular activities, sports and cultural activities, carrier guidance counselling and placement cell, library, Canteen and hostel facilities was collected.

All the P.G. students are responded very good and good for all aspects about institute. More than 85% of the UG students responded very good and good to all question about the institute. Only 3.47 % of UG students are unsatisfied about canteen facility.

Overall this survey shows that the student are happy and satisfied with curricular , extracurricular activities as well as with all aspects in the college.
